JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

June 6, 1913

lation is made, and a copy of such order shall be kept on file by the secretary of the State board of health.

SEC. 2. The court of chancery shall have jurisdiction and power, upon application thereto by the State board of health or a party interested, to enforce its orders or the orders, rules, and regulations of said board in the premises and to restrain the use and occupation of the premises until the orders, rules, and regulations of said board are complied with.

Venereal Diseases—Notification of (Act No. 218, Feb. 3, 1913).

SECTION 1. Commencing on the date of the passage of this act the superintendent or other officer in charge of public institutions such as hospitals, dispensaries, clinics, homes, asylums, charitable and correctional institutions, shall report promptly to the State board of health the name, sex, age, nationality, race, marital state, and address of every charitable patient under observation suffering from venereal diseases in any form, stating the name, character, stage, and duration of the infection, and, if obtainable, the date and source of contracting the same.

SEC. 2. Physicians shall furnish similar information concerning private patients under their care, except that the name and address of the patient shall not be reported.

SEC. 3. All information and reports in connection with persons suffering from such diseases shall be regarded as absolutely confidential, and shall not be accessible by the public nor shall such records be deemed public records.

SEC. 4. The State board of health shall provide, at the expense of the State, facilities for the free bacteriological examination of discharges for the diagnosis of gonorrhreal infections, and also shall provide, at cost, vaccines or antitoxins for the treatment of such infections. And said board shall make, at the expense of the State, the Wasserman test or examine smears for the diagnosis of syphilis; and shall furnish the treatment known as "Salvarsan" or other accredited specific treatment at cost. But such diagnosis and treatment shall not be furnished until the data required for the registration of the case has been furnished by the physician or institution treating the patient.

SEC. 5. The State board of health shall include in bulletins or circulars distributed by it information concerning the diseases covered by this act.

Tuberculosis—Treatment of Indigent Patients (Act No. 219, Jan. 30, 1913, as Amended by Act No. 220, Feb. 13, 1913).

SECTION 1. The governor shall, by virtue of his office, be commissioner of indigent tuberculous persons, and as such commissioner shall constitute the board and shall biennially report to the general assembly his doings under this act, with an account of his expenditures.

SEC. 4. The selectmen of the town or the mayor of the city may execute in their official capacity in behalf of their respective towns or cities, without a previous vote, the bond which may be required to be given by the town or city to indemnify the State against expenses which may accrue in consequence of the clothing or transportation of beneficiaries from such town or city.

SEC. 5. When a person is designated a beneficiary, the town or city in which he resides shall defray the expenses of his conveyance to and from the institution in which he is sent for treatment, and shall provide necessary clothing.

SEC. 6. The beneficiaries specified in this act shall receive treatment in the Vermont Sanitarium at Pittsford or a similar institution.

SEC. 7. The sum of \$5,000 is hereby annually appropriated for the purpose of carrying out the provisions of this act.
